### Comments Regarding Pricing Strategy

The subject is a ranch style property with an in-ground pool and RV parking. It also has a three-car garage. It appears to be in average condition but needs paint and stucco repairs. Probable as-is price is value for a fair market sale. Value assumes interior condition is similar to the exterior and typical for the immediate neighborhood. No short sale or REO comps were utilized or considered in the final value. Market values are increasing and there is a shortage of listing inventory on the market. The search for sale comps was expanded to within six months due to limited similar sales within three months.

## VII. Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
