### Comments Regarding Pricing Strategy

Value based on comp data found from the MLS, I used comparables within the same market. Based on the current comps and market the subject should sell in the indicated range as based on competitive sales and listings. After a thorough search in the MLS for comps of similar size and property type, I had to extend over a 1 mile radius in this area due to a lack of comparables found that were similar and reasonable substitutes for subject property.

## VII. Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The price is based on the subject being in average condition. Comps are similar in characteristics, located within 0.95 miles and the sold comps closed within the last 5 months. The market is reported as having increased 6% in the last 6 months. The price conclusion is deemed supported.
