rural area, comps limited---had to expand seach parameters to find recent similar comps---used average adjusted sold privces of recent similar comps to arrive at values

## VII. Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** Due to a lack of more similar comps available, these search parameters were expanded in order to provide comps from the subject's competitive market area that reflect current market conditions. The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
