**Sold 1** superior to subject adjust made for square footage and garage

**Sold 2** equal to subject but number 3 suits it better adjustment made for square footage and bedroom

**Sold 3** equal, home was in the same shape as subject though the comp has a garage so it has more value more land associated with this property

\* Sold 3 is the most comparable sale to the subject.

home is a good size, very nice area. great listing possibility. auction is not a good choice for this home as people get nervous bidding on something that they cant see and if they have no history on the home
