#### Comments Regarding Pricing Strategy

Most consideration given to the sold comparables, after adjustments. Market conditions have been good with increasing values. Recently, however, market conditions have shown signs of stabilizing with more listings, more price reductions, and longer days on market.

#### VII. Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
