<b>Comments Regarding Pricing Strategy</b>		
Subject was valued using the best comps available. Due to a lack of available relevant comps it was necessary to exceed the guideline search radius, Range in ages of construction and lot sizes reflect the area and do not affect subject's marketability. Due to the lack of comps, it is expected that subject would sell with multiple offers and likely overbids regardless of condition. It is expected that the listed comps would sell above their listing prices		

## Clear Capital Quality Assurance Comments Addendum
