Comments Regarding Pricing Strategy

Search for comps was extended 3 miles and back 10 months resulted in 3 listing and 3 sold properties similar in characteristics and price. Extending distance beyond the distance noted would not provide good comps due to square footage and year built. A wide range of prices is unavoidable, therefore primary reliance is placed on sold comps due to value.

VII. Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
