Limited 90 day sold comps were available at time of inspection. Expansion of sale date, square footage, lot size, distance and year built was absolutely necessary due to limited comps being made available. Values have been increasing at a rate where the subject value should be considered and influenced based on the list comps. The actual value conclusion presented herein reflects a 90 day value conclusion. The current subject value is based on sales and listings.

## VII. Clear Capital Quality Assurance Comments Addendum

The market is reported as having increased 1% in the last 6 months. The price conclusion is deemed supported.
