VI. Marketing Strategy As Is Price Repaired Price Suggested List Price \$181,000 \$181,000 Sales Price \$177,000 \$177,000 30 Day Price \$174,000 - Comments Regarding Pricing Strategy

An insufficient number of comparable sales are available within 3 months of the current date. Due to the lack of comparable listings with similar characteristics as the subject property. Proximity and year built search was expanded. The subject property estimated market value is based on the adjusted net sale value of the comparable sales.

Addendum: Report Purpose

Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: Fair Market Price. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price A price at which the property would sell between a willing buyer and a willing seller neither being

compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time The amount of time the property is exposed to a pool of prospective buyers before going into contract.

The customer either specifies the number of days, requests a marketing time that is typical to the

subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market The estimated time required to adequately expose the subject property to the market resulting in a

contract of sale.
