Comments Regarding Pricing Strategy

All of the comps are from the subject's remote suburban subdivision within normal parameters. There were only 3 listed comps available and all were used, even though listed comp #1 is a short sale and priced low for a quick contract. The sold comps were given more weight after adjustments.

VII. Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
