Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.) The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:	
Fair Market Price	A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.
Distressed Price	A price at which the property would sell between a willing buyer and a seller acting under duress.
Marketing Time	The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.
Typical for Local Market	The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.

Report Instructions

This section shows the instructions that were approved by the customer and provided to the broker prior to completing the report.

*** Please Note: This is a RUSH assignment. Do not accept if you cannot meet the current due date and time. Please reference the set terms and contact Clear Capital at 530.582.5011 if you require any changes. Thanks! ***

Instructions last updated: 7/17/2017

Purpose:

Please determine a realistic market value for this property at which it would sell in a typical marketing time for the area.

Comparable Requirements:

If any of the following comparable criteria cannot be met, commentary is required as to why you expanded your search, and what the effect on value will be.

1. Use comps from the same neighborhood, block or subdivision.

2. Use REO comparables only if the market is driven by REOs and they are comparable in characteristics and condition.

3. Use comps that have closed in the past 3 months to show the current market conditions. In rapidly changing markets, active listing comps should be given equal or greater weight than sold comps in your analysis.

Property Condition Definitions:

1. Poor: Uninhabitable or severely damaged from fire, flood, vandalism or mold

2. Fair: Repairs needed, may not be eligible for all forms of financing, below the neighborhood average

3. Average: Minor cosmetic or no repairs needed; typical for the neighborhood, move-in ready but no significant updates or renovations

4. Good: Above average, move in ready, no repairs necessary and has recent and significant updates and/or renovations (or, for customers that do not provide for 'Average', any move-in ready property)

5. Excellent: Newer construction (1-5 years) or high end luxury

Standard Instructions:

1. Clear Capital Code Of Conduct - Please make sure that you are always abiding by the Clear Capital Code of Conduct when completing valuation reports.

2. If the subject is currently listed, please consider all available information pertaining to the subject's condition. This information should be utilized when developing the assumption of the subject's condition.

3. Use the subject characteristics provided in the report Grid (if preloaded) to evaluate the property. This information is from a full interior appraisal and is assumed to be most accurate. If your inspection reveals obvious inaccuracies, please explain in the narrative of the report.

 Include sufficient detail to help our mutual customer gain a complete understanding of the subject's neighborhood such as neighborhood desirability, amenities, parks, schools, commercial or industrial influences, REO activity, traffic, board-up-homes, etc.
Do not approach occupants or owners.

6. If the subject is a Commercial property, contact Clear Capital immediately at 530-582-5011 for direction on how to proceed with the report.

7. Please do not accept if you or your office has completed a report on this property in the last month, are currently listing this property, or have any vested interest in the subject property.

8. Clear Capital does not allow any log ins from IP addresses from foreign countries. This includes, but is not limited to; data entry services, form completion services, etc. Also, it is against Clear Capital code of conduct to share your password with anyone who is not a W2 employee in your office.

9. Clear Capital and our mutual customers greatly appreciate your expertise. If you cannot personally inspect the property, select comparables, and determine a price for the subject, please do not accept this report. Per the standards and guidelines adopted by Clear Capital and other industry leaders, the use of assistants to complete any of the aforementioned tasks is not permitted.

Due to the importance of an independent opinion of price, please do not discuss your price with anyone or be influenced by list price, pending offers, accept comp packets, repair estimates or the listing agent's opinion.

Photo Instructions

- 1. One current, original photo of the front of the subject
- 2. Damages (upload enough photos to support your repair cost estimates)
- 3. Two street scene photos, one looking each direction down the street
- 4. One view photo looking across the street from the subject
- 5. One address verification photo

- 6. MLS photos of all (3) sold comparables, if available 7. MLS photos of all (3) listing comparables, if available
