Comments Regarding Pricing Strategy

Price opinion is based on comparable properties and local market knowledge. Notwithstanding any preprinted verbiage to the contrary, this is a broker price opinion of the subject property specified on this report. This is not an appraisal of the market value of the property. If an appraisal is desired, the services of a licensed or certified appraiser must be obtained. The final value of this property is an opinion obtained from the similar comparable properties and market knowledge.

VII. Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion is supported by the comparable data. It is noted that the current conclusion is higher than the prior report completed 9/24/2018; however the current broker provides fair market sales whereas the previous broker placed primary reliance on distressed comps to derive the subject's as-is conclusion. The current comp selection has been deemed an appropriate reflection of current market conditions. Therefore, the reviewer concurs with the current as-is conclusion.
