<b>Comments Regarding Pricing Strategy</b>		
<p>The sold and listing comp search went out ½ mile...then gradually expanded to find comps to match subject condition... after going out to a 3 mile radius.. could not find any POOR condition comps... found 1 fair condition LIST comp that is included in this report. could not find a FAIR or POOR condition SOLD comps in the 3 mile radius, so I had to adjust for condition on the sold comps..The subject GLA is bracketed by the comp GLA , SC#3 being the most similar to the subject....This is an exterior BPO, An interior inspection is suggested... I have only conducted an exterior inspection. However, the subject is reportedly in poor condition based on a previous interior inspection that I did not complete. For the purposes of this analysis, I have assumed that this accurately reflects the subject as of the date of my inspection</p>		

## Clear Capital Quality Assurance Comments Addendum
