Comments Regarding Pricing Strategy		
<p>I pulled the closest comparable homes to the subject and made market appropriate adjustments for the differences arriving at the subject market value. I could not find any comps that supported the sold price of the subject, however I was not able to determine the interior condition of the subject which could have an affect on why it sold at the price it did. The remarks fr the subject listing noted updates on roof, HVAC but says the interior is a blast from the past. Recommend further investigation on interior needs.</p>		

Clear Capital Quality Assurance Comments Addendum
