<b>Comments Regarding Pricing Strategy</b>		
<p>For purposes of this report and comparable selection, closed sales were obtained within a 2 mile radius of subject without restriction as to size or age. Market inventory is very low and therefore, for purposes of available and/or pending comparable properties, it was necessary to extend search criteria to ultimately include a 20 mile radius of subject without restriction as to age or size. Please note - Davis properties were specifically excluded due to significantly higher price points across both single family and multi-family properties and relative to a market impacted by UC Davis students. Subject exterior appears maintained without required repairs or concerns. It is assumed interior is of similar condition. Market in present, as-is condition with minimal seller concessions, if any, to both owner occupants and investor buyers. Property is expected to qualify for available financing programs.</p>
