Suggest pricing near low range of competing listings due to oversupply of directly competing properties. Subject property would be expected to sell near high range of adjusted recently closed sales with 90 days on market.

### Clear Capital Quality Assurance Comments Addendum

The market is reported as having increased 5% in the last 6 months. The price conclusion is deemed supported. The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
