Search for comps was 1 mile, back 6 months, resulted in 3 listing and 3 sold properties similar in characteristic and/or price. Of those comps provided in this report, they were selected based on representing the most appropriate pricing for the subject based on area, square footage, age and pool. The sold used in the report were given most weight first as they are proven sales in the current market conditions. The active were comps considered in placing the value within the sold comp price range.
