<b>Comments Regarding Pricing Strategy</b>		
Suggest pricing near mid range of competing listings due to slight oversupply of competing properties in this area. Subject property is most like Sale #2, which sold for adjusted sale price of \$213,000. It was under contract in 5 days on market. Subject property would be expected to sell somewhat above this price point with 90 days on market.		

### Clear Capital Quality Assurance Comments Addendum

**Reviewer's** The price is based on the subject being in average condition. Comps are similar in characteristics, located within 0.30 miles and the sold comps  
**Notes** closed within the last 5 months. The market is reported as having increased 3% in the last 6 months. The price conclusion is deemed supported.

### Addendum: Report Purpose

#### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price

A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price

A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time

The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market

The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.
