General Conditions

Owner	Catamount Properties 2018 LLC	Condition Comments	
R. E. Taxes	\$3,895	Subject is decent in appeal with tile roofing and established landscaping along with larger capacity garage and portico. The square footage and room counts are common for the build as well as the lot size. Normal wear and tear updating should be expected though subject is assumed to be move in ready. A full interior inspection is needed for the most accurate value. Improved properties are still common so some level of updating may be needed to meet average market standards. Parameters for search used were: 6 months sale date, 2 mile radius, +- 400 sqft, +-5 year age difference. 3 sold comps and 3 list comps were returned. Comps chosen are similar in marketability and amenity as well as location, unless otherwise noted due to a lack of available comps. This report is completed assuming subject was built using standard builder grade materials with no assumed updating.

Marketing Strategy

	As Is Price	Repaired Price

30 Day Price	\$355,000	--
Comments Regarding Pricing Strategy		
<p>Adjustments to the comps have been made, where necessary, to bring the comps as close to subject as possible for accurate pricing. The most weight has been placed on sold comp 1 which is most similar in amenity and condition. Subject is located in a populated area that can be marketed to most average home buyers. Subject list price should be competitive with the available list comps for maximum exposure with pricing emphasis placed on the pending list comps. 90 day marketing times are uncommon in this area so an increased list price above available list comps would be needed if 90+ day marketing time is the goal. Value is based on exterior only and the assumption the interior is in average condition. Any discrepancies in this assumption could affect the suggested value either way.</p>
