Comments Regarding Pricing Strategy				

Since subject requires no repair, listing it as-is will save the pre-marketing time and limit total amount of capital invested. There's a shortage of comparables with similar living space within immediate area so expansion of sold date, search distance and/or value variance is necessary.

### Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect Notes the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
