Comments Regarding Pricing Strategy		
Search for comps was extended 2 miles and back 6 months resulted in 3 listing and 3 sold properties similar in characteristics and price. Extending distance beyond the distance noted would not provide good comps due to property type, condition, number of units, square footage and year built. A wide range of prices is unavoidable, therefore primary reliance is placed on sold comps due to value.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's The price is based on the subject being in average condition. Comps are similar in characteristics, located within 0.91 miles and the sold comps
Notes closed within the last 6 months. The market is reported as being stable in the last 6 months. The price conclusion is deemed supported.
