Comments Regarding Pricing Strategy		
<p>The agent searched an area of approximately 1 mile surrounding the subject, and the agent had to utilize all comparables, including short sales and REOs. The prices of those are similar to fair market comps, thus all comps are best suited for the report. The agent took into consideration all 6 comparables that were used. The agent priced the subject in comparison to all of the comparables, as a whole. All the comparables were similar to the subject in some way.</p>		

Clear Capital Quality Assurance Comments Addendum
