Comments Regarding Pricing Strategy

I came to a conclusion on my opinion of price by taking an average price from the sales comps and rounding to the nearest thousand while also taking the list comps into consideration. In my opinion if repairs are made to the exterior it will increase the value by \$2500.

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
