<b>Comments Regarding Pricing Strategy</b>		
<p>Subject property should be priced near mid low range of competing listings due to oversupply of directly competing properties in this area. This property is most like Sale #2 which sold for adjusted sales price of \$330,000 and was under contract in 18 days on market. Subject property would be expected to sell slightly above this price point with 90 days on market. This property was sold as REO property with 14 days on market on 09/20/2019 as cash sale. Valuation assumes 90 days on market and typical marketing procedures.</p>
