<b>Comments Regarding Pricing Strategy</b>		
The price was determined by using the prices of the comps, adjusting for differences and amount of time spent on the market. All comparables are considered substitutable for the subject property and all are given equal emphasis. Demand remains strong in the area while REO and foreclosure listings have had an impact on pricing in the area.		

## Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
