General Conditions

Owner	Delores Walker Franklin	Condition Comments The subject property is a single level home on a corner lot that is in average condition for its year built and location. The subject property appears to have no set backs on the north side of the property. This may be because the property was built in 1910 before there were any formal zoning regulations and that now it is 'grandfathered' in to have no setback requirements.

Comments Regarding Pricing Strategy		
The values were determined by weighting the sold comparables using the following weights: S1: 30%, S2: 20% & S3: 50%. The active listings were not weighted in the determination of the subject's fair market value. Sold # 2 was weighted less because it is an outlier though it is still a good comparable to the subject property.
