Comments Regarding Pricing Strategy		
<p>Suggest pricing near mid range of competing listings due to nearly balanced supply of listings, but low days on market time. Subject property would e expected to sell near high range of adjusted recently closed sales with 90 days on market. Subject property was purchased 10/09/2019 for \$290,500, which was \$15,500 over list price. It is currently listed for sale for \$399,900. It appears to be priced significantly above anticipated sales price for this home as supported by recently closed sales and directly competing listings in this area.</p>		

Clear Capital Quality Assurance Comments Addendum
