Comments Regarding Pricing S	Comments Regarding Pricing Strategy			

Subjects final value represents a value with normal marketing times and based on the most similar and proximate comps in this report. Due to lack of recent sales and listings in the area, search distance, year built, gla and lot size was expanded to find comparable's. Interior inspection recomended for further repair evaluation. Value based on exterior viewing only. Could not find similar condition comps , Comp adjustments of subject repairs were subtracted to get value along with normal gla, and lot size adjustments.

Addendum: Report Purpose

Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.) The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price A price at which the property would sell between a willing buyer and a willing seller neither being

compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time The amount of time the property is exposed to a pool of prospective buyers before going into contract.

The customer either specifies the number of days, requests a marketing time that is typical to the

subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market The estimated time required to adequately expose the subject property to the market resulting in a

contract of sale.
