Comments Regarding Pricing S	trategy			

Priced within recent similar sales after adjustments for differences in added features. It's common for properties to sell above list price due to buyer competition. A lot of the current listings are priced higher than the recent sales. I varied the age of my comps due to the lack of comps that are closer in age.

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported. Notes
