<b>Comments Regarding Pricing Strategy</b>		
<p>There's a shortage of comparables with similar living space within immediate area so expansion of sold date, search distance, age, and/or IGLA is necessary. Since subject requires no repair, listing it as-is will save the pre-marketing time and limit total amount of capital invested."Subject's address isn't visible at time of inspection so agent uses "closest" street sign instead. Agent uses tax assessor's and google maps to identify the subject. "</p>		

## Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
