Comments Regarding Pricing Strategy		
<p>The agent searched an area of approximately 1 mile surrounding the subject, and the agent had to consider all comparables, including short sales and REOs. The values of those are similar to fair market comps, thus all comps are best suited for the report. The agent took into consideration all 6 comparables that were used. The agent valued the subject in comparison to all of the comparables, as a whole. All the comparables were similar to the subject in some way.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
