Comments Regarding Pricing Strategy		
<p>The subject is located close to the south end of this development. There are no listing comps within 1 mile radius. To find 3 listing comps, the square footage range was expanded to 25% and the search radius to just over 2 miles. Using that criteria, there are 4 listing comps. I used those which best represent the subject. To find 3 sales comps, the normal search criteria did not have to be expanded. There is a large air Force base located less than 15 miles from the subject which provides more VA buyers.</p>		

Clear Capital Quality Assurance Comments Addendum
