Comments Regarding Pricing Strategy		
<p>Search parameters The subject's property type (duplex) is uncommon in the market. This resulted in a lack of comparables and an expansion of search parameters as follows: search radius of 2 miles to include similar areas, a six month timeframe, all comps within 25 square footage of the subject, all other filters were removed. The most similar comparables were then selected. Given a lack of more similar comparables the value bracket was relaxed. The same market conditions exist for all properties in this report</p>		

Clear Capital Quality Assurance Comments Addendum
