Comments Regarding Pricing Strategy		
<p>The subject should be sold in as-is condition. The market conditions are currently stable. List 1 Comp were weighted the most and similar in GLA, Close to proximity and value. Sold comparable 1 was weighted the heaviest due to similar in value and Close to proximity. Due to suburban density and the lack of more suitable comparisons, it was necessary to exceed over 1 mile from the subject, within 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties.</p>
