<b>Comments Regarding Pricing Strategy</b>		
<p>The subject's value is based on the closed sales in the area. The active listings have been considered in the value of the property, but the closed sales hold the most weight. Due to lack of similar comps it was necessary to exceed GLA guidelines, look for comps over 5 age difference, used comps having lot size more than 20% and exceed bed/bath count. All comps are considered to be reliable. Listing # 2 is showing that is is over 17 miles from the subject property. It is only .5 miles, I am not able to override what the system has calculated.</p>		

## Clear Capital Quality Assurance Comments Addendum
