<b>Comments Regarding Pricing Strategy</b>		
<p>The search parameters for comparables were: 927-1527 sq.ft, back 6 months, and throughout the subject parcel map area. The 3 month sale date guideline was exceeded for S3, to include the most similar, proximate solds available. No value adjustment is necessary for sale date, due to stable market values. The subject and all comparables are located in the Chino city school district, and are on public utilities. Information regarding the subject is from tax records, previous MLS entry, and broker observation. The subject was offered slightly below market as a short sale. The MLS comments indicate the subject has granite kitchen countertops, s/s appliances, and is offered in undamaged condition.</p>

## Addendum: Report Purpose

### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price	A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.
Distressed Price	A price at which the property would sell between a willing buyer and a seller acting under duress.
Marketing Time	The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.
Typical for Local Market	The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.
