Comments Regarding Pricing Strategy		
<p>The sq. ft., age and room count for the sub. prop. are estimated based on other dwellings in the immediate area and on same street and part of same subdivision as the sub. prop. The suggested list price is most heavily weighted on Sold Comp 1 which is the closest and most similar comp in features, condition and location. List comp 1 is the most heavily weighted comp in regard to location (same subdivision as the sub. prop.) with consideration given to fact that list comp 1 has a larger lot than the sub. prop. RE: No Adjustments on Sold Comps: All Sold Comps are equal and/or very similar to the sub. prop. in their total sq. ft. with no adjustments required. Prop. have increase approx. 1% in the last 4 months with supply and demand in balance. REO sales do not influence market values.</p>		

Clear Capital Quality Assurance Comments Addendum
