| Comments Regarding Pricing Strategy | | |
| <p>The subject should be sold in as- is condition. The market conditions are currently stable. Due to suburban density and the lack of more suitable comparisons, it was necessary to exceed over 2 mile from the subject, up to 12 months from inspection date, guidelines for gla, lot size and some recommended guidelines when choosing comparable properties. Subject is with GLA 3032 sq.ft which is not typical for the area. So I used over 2 miles radius and 1 year to find similar comparables.</p> | | |
