Comments Regarding Pricing Strategy		
<p>The subject should be sold in as- is condition. The market conditions are currently stable. Sold comparable 2 was weighted the most and similar in bed,bath. List comparable 2 was weighted the heaviest due to GLA and Proximity. Subject is occupied verified through tax record. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Due to suburban density and the lack of more suitable comparisons, it was necessary to exceed over 1 mile from the subject, over 6 months from inspection date, guidelines for GLA, lot size, age and some recommended guidelines when choosing comparable properties.</p>
