Comments Regarding Pricing Strategy		
<p>The subject is in average exterior condition with no repairs noted. The property is located within 2 miles of most commerce, recreation and transportation. Values have been increasing with fair market sales comprising the majority of closed transactions. Sold comp 1 gives a good indication of value, this property is most similar in gla and age and it is also a recent sale. Recommend listing as-is with an aggressive market plan to help the property compete with other homes in the area.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes Commentary and docs uploaded to this report were provided explaining why client thresholds had to be exceeded in the Marketing Strategy of the report in terms of a search criteria that would support the value conclusion. Adjustments appear to be adequate and weighted in the appropriate direction. In conclusion, the report states why the comps utilized in the report reflect a proximate value supported with a value conclusion reviewed by multiple sources of data, public and private, for example, the search criteria included all characteristics for the subject were expanded by 30% greater and less than with respect to similar property type, external influence, proximity, market increase or decrease, reo saturation, condition, GLA, lot size, age, and the majority of market data within .50 mile from subject property for Average condition going back 12 months with proximity being the factor of value. Current report is in line with closest sold comp and best reflects the majority of data within 1m of property for Average Sale price conclusion for Average condition with respect to fair market value.
