Comments Regarding Pricing Strategy		
All comps are within the same community where the subject is. Due to the lack of comps that were sufficiently similar to the subject, the range of listing prices, room count, proximity and square footage must be expanded. The suggested subject value is bracketed by all comps. Adjustments may not be accurate as this is a drive-by inspection only. This is not a formal appraisal and is not to be used for the purpose of financing.		

Clear Capital Quality Assurance Comments Addendum
