Comments Regarding Pricing Strategy		
<p>My method used to confirm the property's actual physical condition was to inspect the subject while obtaining photos. The subject should be able to sell within the average Days On Market for similar comps in the area. Due to the lack of similar comps within 1 mile and 6 months sales date, I extended my search criteria. Within 1-2 miles and back 12 months I found comps. The comps selected are the best available and I made adjustments for all variances.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
