<b>Comments Regarding Pricing Strategy</b>		
<p>In order to use comparable within closer proximity, I was forced to use comparable with variance in style, condition, bed/bath count, lot size, and sold date beyond 3-6 months. Adjustments were provided for the variances between subject and comparable. The subject is located in a residential area with access to major roads, high way, School and commercial area, I have used similar location characteristic comparables in this report. Subject and comparable location characteristics do not affect its marketability. Value is derived from an emphasis on sold comp 2 and list 3 which are equal in most of the characteristics to the subject</p>
