Comments Regarding Pricing Strategy		
<p>Most weight given to the sold comparables located in the subject's same complex. Values are currently still rising. Price base on current market values for similar types of properties in the same location. The MLS photos for List 2 and Sold 3 only showed interior photos. Since they are in the same complex as the subject, the exterior of those comps looks identical to the subject.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
