Comments Regarding Pricing Strategy		
<p>Subject is a single family home with 1291 Sq.ft. Since there were limited comparable available within subject's market neighborhood, it was necessary to use a sold comparable with a sale date beyond 3 months from the date of this report. Due to limited comparables, need to exceed sold date up to 12 months, bed/bath count, lot size and year built guidelines. Subject is located near busy road, highway, park, worship area, golf course, cemetery, railroad and commercial amenities. Due to limited comparable from same location, it was necessary to use comparables from across the highway. However, this wont affect the market value. The comparables selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS2 and LC3 as they are most similar to subject condition and overall structure. Subject details are taken from tax record. Subject and comparables garage count is verified using MLS.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
