<b>Comments Regarding Pricing Strategy</b>		
Comps are based on similarities of the subject in age, condition, GLA, and lot size. Comps are pulled within a 2 mile radius of the subject. Sold comps go back 12 months. Had to extend the radius and go back 12 months on sold comps because subject's size and lack of comps in area. Extending the radius has no impact on value. These are the best comps that are similar to the subject
