Comments Regarding Pricing Strategy

Subject property should be priced near mid high range of competing listings due to shortage of competing properties in this area. It is most like Sale #2, which sold for adjusted sales price of \$480,900. It was under contract in 50 days on market Subject property would be expected to sell slightly above this price point with 90 days on market.

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
