<b>Comments Regarding Pricing Strategy</b>		
<p>Research parameters were expanded beyond the typical guidelines in an effort to locate properties within the client's requirement for marketing time frame, distance, square footage and age; however, due to minimal market activity and lack of similar comparables no additional recently closed and/or listed comparables or closer proximity closed and/or listed comparables were more suitable than those provided within this analysis - Market value was achieved by taking the 3 best comparables that are closer proximity to the subject property</p>
