Comments Regarding Pricing Strategy		
<p>There is an extreme housing inventory shortage. Due to the low inventory levels, Buyer demand is very strong. Also, due to the low inventory levels, I had to expand my search criteria in order to find comps. I had to expand the search radius, year built and square footage numbers in order to find comps. Adjustments have been made for differences. Pricing the subject within the sold comp range should result in a quick sale.</p>
