General Conditions

| | | | |
|---------------------------------------|-------------------|---|--|
| Owner | Thompson Janice M | Condition Comments | |
| R. E. Taxes | \$6,428 | Subject is located in a subdivision on standard lot size with sidewalks and curbs. The curb appeal is average with tile roofing and established landscaping. The square footage and room counts are common for the build as well as the lot size. Normal wear and tear updating should be expected though subject is assumed to be move in ready. A full interior inspection is needed for the most accurate value. Improved properties are still common so some level of updating may be needed to meet average market standards. Parameters for search used were: 6 months sale date, half mile radius, +- 500 sqft, +-5 year age difference. 6 sold comps and 8 list comps were returned. Comps chosen are similar in marketability and amenity as well as location, unless otherwise noted due to a lack of available comps. This report is completed assuming subject was built using standard builder grade materials with no assumed updating. | |

| Comments Regarding Pricing Strategy | | |
| <p>Adjustments to the comps have been made, where necessary, to bring the comps as close to subject as possible for accurate pricing. The most weight has been placed on sold comp 2 which is most similar in appeal and condition. Subject is located in a populated area that can be marketed to most average home buyers. Subject list price should be competitive with the available list comps for maximum exposure with pricing emphasis placed on the pending list comps. 90 day marketing times are uncommon in this area so an increased list price above available list comps would be needed if 90+ day marketing time is the goal. Value is based on exterior only and the assumption the interior is in average condition. Any discrepancies in this assumption could affect the suggested value either way.</p> | | |
